BENCHMARK TESTING

During the weeks of October 12 - 23, students enrolled in 9th Lit, Math I, Math II, Biology, and Physics will take the county mandated Benchmark Test #1. These tests will be taken during their normal class meeting times. A specific schedule will be forthcoming so your student knows which day(s) and period(s) to expect the test. These tests are used to analyze mastery of the standards throughout the year in preparation for the End of Course Test (EOCT) in May. There will be a second benchmark test in January in each of the above subjects to monitor progress and readiness for the EOCT on material learned up to that point. Stay tuned for more information.

SCHOOL COUNSELING NEWS

PROJECT 2400

Project 2400, sponsored by the Cobb County Education Foundation, the Cobb Chamber of Commerce, and the Cobb County School District, is an opportunity for students who are currently juniors at Pope to participate in a Princeton Review SAT Preparatory course for free. Students who participated in the project last year saw wonderful gains on their SAT scores. A mandatory meeting will be held on Thursday October 15 at 7:00 PM in the Pope theater. Attendance at the meeting is a prerequisite for your child's participation in the program. Information regarding requirements and how to apply for the class are available in the Pope Counseling Office or by going to www.popehigh.com, select Academics, School Counseling, and the Counseling Website. Click on the *Project 2400* page. Please download information about the class and the forms needed to apply for the class. Pay particular attention to the deadlines for turning in the signed POPE GUIDELINES, the STUDENT AND PARENT PARTICIPATION AGREEMENT, and the PARENT RELEASE FORM to Mrs. Ledbetter in the Counseling Office. If you have any questions, please contact Mrs. Ledbetter in the Counseling Office at 770-578-7903 or by email at Janie.ledbetter@cobbk12.org. We are very excited that this opportunity is available for our juniors. The information and application forms will also be available at the October 15 meeting.

PSAT INFORMATION

The PSAT will be administered on October 14 to the 10th and 11th graders. The State of Georgia will pay the \$13 test fee for all 10th graders but the 11th graders must pay his/her own fee in order for the test to be scored. Please bring \$13 in cash or a check made out to Pope High School to the Pope Counseling Office any Monday through Thursday from 7:45 until 8:15 through October 12. If you have any questions please contact Janet Callahan in the Pope Counseling Office. This test is recommended for all eleventh grade students, especially those who wish to be considered for the National Merit Scholarship Qualifying Program. The PSAT is a great opportunity to practice before taking the actual SAT, and an excellent predictor of future SAT performance.
